REQUEST FOR QUALIFICATIONS

PRELIMINARY ENGINEERING, DESIGN AND CONSTRUCTION INSEPTION SERVICES

The Clarkton C-4 School District, in conjunction with the City of Clarkton, Missouri is requesting the services of a consulting engineering firm to perform the described professional services for the project described below.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the Superintendent of Schools for the Clarkton C-4 School District. Limit your letter of interest to no more than two pages. This letter should include a statement to indicate why your firm is interested in the project. It should also include any other information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals and other similar projects your company has recently completed or are now active. Please include your approach to this project and any subconsultants.

DBE firms must be certified by the Missouri Department of Transportation in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any projects they feel can be managed by their firm.

We request all letters to be received by 5:00 p.m., on April 23, 2010 at the above office.

Sincerely,

Philip L. Harrison
Superintendent of Schools
Clarkton C-4 Schools
