SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Save a life Tour
SFS 7-080916

Description: We are providing the Save a Life tour to three high schools in the area. They are East Newton, Miller, and Webb City. It costs about \$5400 for each school.

The save a life tour multi-million dollar drinking and driving simulators are the only simulators in the nation that give participants a completely realistic, sober perspective on the effects of driving while intoxicated. With massive tour posters on display, high intensity videos rolling on huge monitors, and our charismatic show presenters engaging both participants and onlookers alike, no one that experiences the Save a Life Tour will leave unaffected. Just call us and ask why we're considered the "shock jocks of anti-drunk driving."
