

Facilitators Wanted

First Impact is a traffic safety program that educates parents about Missouri's Graduated Driver License (GDL) law. Facilitators will teach parents, guardians, and family members how to monitor, coach and support their new teen driver. This statewide program is available **free of charge**.

Facilitators provide 60-90 minute educational programs. This is a part-time job and pays \$50/hr with no expenses. Facilitators are responsible for contacting and coordinating with various groups.
