

Signed detour Route

April 2011

Route 69-Vivion Road Line Creek Bridge Project Update

Project: The Missouri Department of Transportation and the City of Riverside will replace the Route 69-Vivion Road Bridge over Line Creek. Final plans are now complete for design of the new structure. This new bridge will provide two through lanes with a center turn lane to keep traffic moving while maintaining safety. The city will provide sidewalks on both sides of the bridge to connect to future improvements in the area.

Proposed Timeline:

	2011						2012	
	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb
Notice to Proceed	●							
Preparation Work for Bridge Closure		■						
Bridge Closure			■ 60 Days Max					
Final Work after Bridge Closure						■		

Note: Exact dates of bridge closure will be determined at a later date.

Traffic Management: The bridge must be closed to allow the contractor to replace the structure quickly. A signed detour route will be posted during the road closure using West Platte Rd, Briarcliff Pkwy and Route 69.

For more information, contact: Travis Hoover, Capital Projects Engineer for City of Riverside at 816-741-3993 or Randy Johnson, MoDOT Project Manager at 816-607-2265.
