

MoDOT Minute – June 22, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

Roundabouts are popping up on Missouri highways as a safer option to intersections. To help demonstrate how to navigate a roundabout and why they are safer for the traveling public, MoDOT has produced a new video called "All About a Roundabout." You can watch it by visiting [www.modot.org](http://www.modot.org).

The Missouri Coalition for Roadway Safety has revamped its website located at [www.savemolives.com](http://www.savemolives.com). The site is more interactive and has eye-catching graphics, as well as intriguing videos, news and information, driving tips and advice on how to Arrive Alive. Quick links to Facebook, Twitter and a newsfeed also give the new site a greater social media focus.

And, congratulations to Tina Armstrong of St. Louis and Donald Steward of Linn Creek. They were the winners in the Catch a Train, Catch a Game sweepstakes sponsored by MoDOT, Amtrak and the Division of Tourism.

That's been your MoDOT Minute. Remember to check back every Tuesday for new information.
