EXECUTIVE OFFICE
STATE OF MISSOURI
JEFFERSON CITY

JOSEPH P. TEASDALE
GOVERNOR

Greetings!

If you're a visitor to Missouri, I welcome you. If you're a Missouri native, I thank you for showing your pride and special interest in our state by obtaining this map. Both visitor and native alike will soon discover this map is a key which unlocks the unique qualities of America's heartland.

Missouri is filled with legendary history, stories about folk heros and notorious outlaws. Its roads were once paths carved by early American explorers and settlers.

Missouri is also a state filled with man-made, as well as natural beauty. For instance, there is the St. Louis Archway, symbolic of the link Missouri plays between the nation's east and west across the Mississippi River . . . or, in Kansas City, the famous Country Club Plaza, grandfather to the modern-day shopping center.

The splendor of the Ozark lakes and rolling hills, lined with dense and colorful forests, offer the most relaxing beauty in America. However, Missouri's real attractiveness is its warm and friendly people. They make visitors feel at home anywhere in the state.

You will discover this for yourself as you let this map guide you over the state's 32,000 miles of safe and convenient highways. As you use them, I ask that you drive carefully and have a pleasant journey.

Sincerely,

Joseph P. Teasdale
Governor
